

Teacher of Maths and Further Maths

Due to the retirement of the current post-holder who has been with us since we opened in 2014, an outstanding Maths teacher is required from the start of the 2019/20 academic year to teach;

-A level Maths

-A level Further Maths

-GCSE Maths

The post-holder will be well supported as part of a growing and flourishing STEM faculty. This is an exciting opportunity for someone wanting to work in a growing and flourishing college which has the potential to expand further over the coming years. The post-holder will be required to be innovative, flexible and willing to go the extra mile for our students. For the right candidate we are willing to pay a recruitment and retention allowance, further details can be provided on request.

Candidates are welcome to visit the college or have an informal discussion with the Principal. Short-listing will take place late on the 22/3/2019 and interviews are likely to take place in the following week.

Closing Date; 22/3/2019 @ 4pm
