COURSE DESCRIPTION

Step into a world of colour, texture, and form.

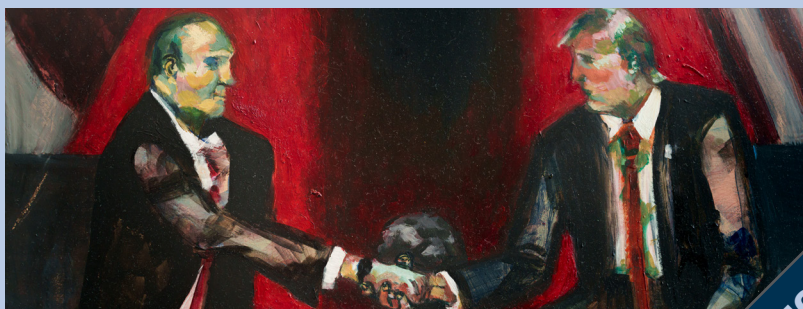

Draw from life. Paint your thoughts. Build what you imagine.

This is a journey of experimentation - of asking questions, making bold marks, and finding meaning through making.

From sketchbook to sculpture, lens to line, you'll explore materials, challenge conventions, and create work that is truly your own.

Guided by artists. Inspired by the world. Your path into design, architecture, fashion, film, and beyond begins here - with your ideas, your hands, and your eye.

Worth up to 56 UCAS points - this A Level can launch you towards top creative courses and careers.
