

8 July 2021

Dear Student

Exam Results Days 2021

As the date draws near for you to receive your results, here is some information to help you prepare and make this time as free from stress as possible. Even though you didn't have the exam experience, you can be confident that the grades reflect your work and have been awarded as objectively as possible to ensure you're ready to take the next step in whatever direction that may be.

Results days are:

- Tuesday 10 August for A level, BTEC and CTEC qualifications
- Thursday 12 August for GCSE Maths

On these days the college will be open from 9:30 - 13:00 and staff will be on site to welcome you to collect your results.

The College would prefer you to collect your results, giving us the opportunity to congratulate and support you with any guidance you may need to help with your next steps.

The faculty leaders, pastoral lead, SENDCO and senior leadership team will all be available to support any conversations you wish to have regarding university offers, clearance or for any other guidance you may require.

In addition to your results released on the result days you will also collect certificates previously achieved, this will include GCSE maths and english and vocational qualifications previously awarded.

Alternative options to receive your results if you are away on the results days.

Post - If you would like to receive your results through the post then please email llucas@salisbury6c.ac.uk confirming the address you would like them sent to (even if this is the address we hold for you on our system). Results will be posted first class on 10th August.

Email - If you would like to receive your results by email. Please request this by emailing llucas@salisbury6c.ac.uk *from the email address you want the results sent to*. We recommend this is not your college email address as at some point this address will be removed. Please note that you are unlikely to receive your results until later in the day as personal enquiries will be prioritised.

Phone - Telephone 01722 597970 after 11am on 10th/12th August. Telephone enquiries will be dealt with after 11am due to the need to prioritise students collecting results in person. If you are unable to get through please email llucas@salisbury6c.ac.uk with a phone number and someone will return your call.

Here is a link to [The Centre Policy for Awarding Grades 2021](#) which was written to address the situation with Covid-19 in relation to the preparation of Teacher Assessed Grades.

This document was prepared to ensure a rigorous approach was taken to ascertain a Teacher Assessed Grade for each student that is objective and representative.

Lastly, we always enjoy hearing about your plans and what you have decided to do next. As well as having an interest we do have an obligation to report the next step on your pathway to the Department of Education. If you know what you hope to do next please complete this [form](#), it is only a few questions and will take a couple of minutes. If however this decision is dependent on your results please complete it on results day. We wish you every success.

Please do get in touch in the meantime if you have any queries. College will be open until Wednesday 14th July.

Best wishes,

Lisa Lucas
Examination Officer
