

June 2024

Dear Student,

Exam Results Days 2024

As the Summer Exam Season draws to a close I'm sure your thoughts are turning to results. Here is some information to help you prepare and make this time as free from stress as possible. We are immensely proud of the maturity, effort and dedication all students showed throughout the exam season, a huge well done from all here at S6C.

Results days are:

- Thursday 15th August for A level, AS, BTEC and CTEC qualifications
- Thursday 22nd August for GCSE Maths and English Language
- Results for Y12 with CTEC/BTEC Unit Results will be emailed on 15th August

On these days the college will be open from 9:00am to 12:00pm and staff will be on site to welcome you to collect your results.

If you are in Year 13, College would prefer you to collect your results in person, giving us the opportunity to congratulate and support you with any guidance you may need to help with your next steps.

The Faculty Leaders, Pastoral Lead, SENDCO and Senior Leadership Team will all be available to support any conversations you wish to have regarding university offers, clearance or for any other guidance you may require.

In addition to your results released on the result days you will also be able to collect certificates previously achieved, including GCSE Maths and English and vocational qualifications previously awarded.

Please keep checking your college emails right up until results day. In addition, please ensure that college has your personal email address on file, in case we need to contact you after results (for example, for post-results services).

Alternative options to receive your results if you are away on results days:

Post - If you would like to receive your results through the post then please email fchurch@s6c.mlp.college confirming the postal address you would like them sent to (even if this is the address we hold for you on our system). Results will be posted first class on 15th and 22nd August.

Email - If you would like to receive your results by email please request this by emailing fchurch@s6c.mlp.college *from the email address you want the results sent to*. We strongly recommend this is **not** your college email address as at some point this address will be deleted. Please note that you are unlikely to receive your results until later in the day as in person enquiries will be prioritised.

Phone - Please call 01722 597970 after 11am on 15th or 22nd August. Telephone enquiries will be dealt with after 11am due to the need to prioritise students collecting results in person. If you are unable to get through please email fchurch@s6c.mlp.college with a phone number and someone will return your call.

Access Arrangements

If you have had access arrangements whilst taking any of your exams here at S6C, please keep a look out for an email in your college inbox that will include access arrangement paperwork which you may need for university.

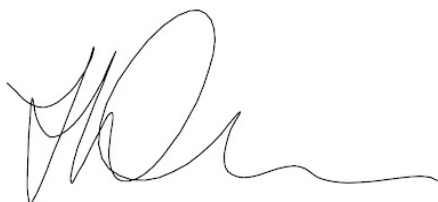

Keeping in touch

Lastly, we always enjoy hearing about your plans and what you have decided to do next. As well as having an interest we do have an obligation to report the next step on your pathway to the Department of Education. If you know what you hope to do next please complete this [destination form](#), it is only a few questions and will take a couple of minutes. You will also have an opportunity to complete this form on results day before receiving your results.

Please do get in touch in the meantime if you have any queries. College will be open until Friday 12th July.

We wish you every success.

Yours faithfully,

Dr Francesca Church
Examination Officer
