

Thursday 16th July 2020

Dear Parents and Students,

Year 11 Open Evenings

We would like to invite you to our online Open Evenings which we are planning for September. We will be holding a series of events to give you a flavour of what S6C has to offer and what student life is like at the College. We have devoted one evening to each of our Faculties to give the opportunity to sample as many subjects as possible:

- Creative Faculty - Tuesday 22nd September 2020 - 5-7pm
- STEM Faculty - Wednesday 23rd September 2020 - 5-7pm
- Humanities Faculty - Thursday 24th September 2020 - 5-7pm

Students will have the opportunity to talk to subject teachers to find out more about our courses. Our current students will be on hand to talk about their experiences of life at S6C.

We will also run a series of other presentations and Q and A sessions that you are welcome to drop into:

- A presentation from the Principal and Vice Principal with a question and answer session for parents
- A presentation from our SENDCO outlining the support we provide for students with special educational needs
- Rebecca Anderson, our Pastoral Lead will be taking questions about our LifeSkills programme and how tutoring works. Rebecca will also introduce our Aspire to Excellence Programme which has been designed to develop excellent study habits, provide extension material, super curricular engagement, debating and higher level thinking skills, and help students gain early insights into job markets, higher education pathways and how to prepare for competitive degree, apprenticeship and employment applications.

A full programme with details of how to sign up will be published nearer the time. We hope you can join us. If you have any questions, please email admissions@salisbury6c.ac.uk

We will also run 'in college' open evenings as soon as the coronavirus restrictions have been lifted. We will be in touch with dates in due course.

Kind regards,

Simon Firth
Principal
