

Sport

CTEC Extended Diploma

Topics Studied

Sports science
Sports development and coaching
Health and fitness
Business of sport
Sport sociology

Entry Requirements

Minimum 5 GCSEs at Grade 4 or above

Course Description

Studying an Extended Diploma in Sport and Physical Activity Development at S6C will broaden your knowledge and understanding of the ever growing industry of sport and exercise. On this course you will have the opportunity to study a range of topics, this will allow you to gain an idea of which sector interests you most and which area you may like to pursue a career. For example, Anatomy and Physiology may pique your interests, or you may find a passion for coaching or fitness!

While studying Sport at S6C you may also have the opportunity to gain additional qualifications such as first aid certificates and coaching badges. These opportunities are only a small part of the growth and development that you will have while studying this course. Previous trips and experiences on this course have included Go Ape and Bath University. Students will have to purchase an S6C sports top to wear on work experience and in practical lessons.

"As part of the course I organised my own work experience at Salisbury Football Club which gave me the confidence to pursue this as a career"

Adam, previously Test Valley School
